Student Spotlight

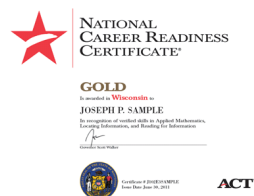

Walter Murphy was enrolled in the Pre-Apprenticeship program many years ago, before it was called First Choice. Walter did not end up in construction, but he did take what he learned in the program to make a change. Walter received his Associates Degree from Gateway Technical College and is now a Sophomore at UW-Parkside. For one of his classes, Walter is to volunteer with a local nonprofit and he wanted to come back to where he started. He will be helping with program outreach until December. Thanks Walter.
